Grappler+ Card: Using w/ProDOS 1.1.1 Software (2/97)

======================================================================

Grappler+ Card: Using w/ProDOS 1.1.1 Software (2/97)

Article Created: 15 November 1984
Article Reviewed/Updated: 12 February 1997

TOPIC -------------------------------------------------------------

This article list the revision of the Grappler+ parallel printer interface cards
experiencing problems with ProDOS 1.1.1 based software.

DISCUSSION --------------------------------------------------------

Grappler+ parallel printer interface cards that have PROM rev. 3.1 or earlier do
not work well with software that is ProDOS 1.1.1-based.
