Macintosh 68000 Development System Becomes Consulair

=====
The product Macintosh 68000 Development System, MDS, is obsoleted as of March 2, 1987. After this date, MDS will be available as the "Consulair 68000 Development System" from:

Consulair Corporation
140 Campo Drive
Portola Valley, CA 94025

The MDS upgrade also ended March 2, 1987.
