Apple File Exchange: AppleWorks-Microsoft Works Transporter

==

This article last reviewed: 12 January 1988

The Work-Works Transporter for AFE translates and transports AppleWorks
Files to Microsoft Works: a valuable productivity tool.

The resource is copyright 1986, 1987 by Productivity Software, Inc. and must
not be sold -- but it may be distributed freely. If they wish, dealers may
use the resource and charge for the service of converting a user's files.
