LaserWriter: 1000-Sheet Paper Bin

=====

This article last reviewed: 8 March 1989

Laser Connection offers a motorized paper tray that can hold up to 1000 sheets of paper stock. This product, named the Big Bin, eliminates the need to continually reload the standard LaserWriter paper cassette, which holds only about 100 sheets of paper. For more details, search the Tech Info Library under "Laser Connection".
