A/UX: How To Link Macintosh OS Object Code (8/94)

=====
Article Created: 19 March 1989
Article Reviewed/Updated: 23 August 1994

TOPIC -----

A/UX: How To Link Macintosh OS Object Code

DISCUSSION -----

You cannot link the Macintosh OS object code directly from A/UX, because A/UX and Macintosh OS have different object formats. You need to recompile and link them under A/UX.
