DAL: Applications 03/93

```
=====================================================================
```

Article Created: 4 October 1989
Article Reviewed/Updated: 23 July 1993

TOPIC --

This article contains a list of applications that have been developed for Data Access Language (DAL), formerly known as "CL/1." Many of the other DAL applications are available from the particular application's vendor. Search the Tech Info Library under the vendor's name for details on any of these packages.
