Macintosh: No Interface to IBM WheelWriter (11/94)

=====
Article Created: 29 May 1990
Article Reviewed/Updated: 17 November 1994

TOPIC -----

I am looking for a Macintosh interface for IBM WheelWriter V, VI, or X? Is one available?

DISCUSSION -----

We are not aware of an interface or driver for the Macintosh that supports any of the IBM WheelWriter typewriter/printers.
