Apple Scanner: Upgrade for 256 Shades of Gray

=====
Article Created: 25 February 1991

Article Change History

1/15/93 - UPDATED
• Abaton now Everex Systems.

TOPIC -----

Does anyone in France sell a product that upgrades the Apple Scanner to support 256 levels of gray?

DISCUSSION -----

Everex Systems has a product called the "Apple Scan Upgrade" that upgrades the Apple Scanner to support 256 levels of gray. The Abaton Scan DA also comes with the product. For more information, contact Seeder, Abaton's distributor in France

To locate a vendor's address and phone numbers, use the vendor name as a search string.
