LaserWriter IIf and IIg: No Support for Kanji

=====
Article Created: 7 October 1991

Article Change History:

-
- 09/24/92 - REVIEWED
 - For technical accuracy.
 - 09/25/92 - UPDATED
 - To clarify PostScript Kanji support.

TOPIC -----

Do the LaserWriter IIf and IIg support Kanji?

DISCUSSION -----

No. The LaserWriter IIf and IIg support Level-2 Post Script fonts. Currently no Japanese Level-2 Post Script fonts exist.
