Personal LaserWriter NT: How to Order Face Up Cover Sensor

=====

Article Created: 13 January 1992

Article Change History

9/3/92 - CORRECTED

- To correctly call the product "Personal LaserWriter NT"

TOPIC -----

I need to order a Face Up Cover Sensor for the Personal LaserWriter NT.
All I can find is a part called Face Up Cover Assembly (part number 949-0276).
Are these the same parts?

DISCUSSION -----

Order the Multipurpose Cable Assembly (part number 890-8605). The sensor
is included in that assembly.
