Express Modem: Maximum Number of Chars in Command Field (3/93)

=====
Article Created: 5 March 1993

TOPIC -----

What is the maximum number of characters the PowerBook Express Modem software command buffer supports?

DISCUSSION -----

The Express Modem's command buffer can accommodate 64 characters. For example, if a user manually enters an "ATDTxxx-xxx-xxxx" command, the telephone number portion can be up to 60 characters in length.
