HyperCard to 2.0 to 2.1: Limitations in Painted Text (7/92)

=====

Article Created: 11 October 1991
Article Reviewed/Updated: 23 July 1992

TOPIC -----

There's a limitation in HyperCard 2.0, 2.0v2 and 2.1.

DISCUSSION -----

When using "painted text," you can only type 100 characters wide on a card, and 20 rows deep.
