American Heritage Dictionary 3.0:Compton & Font Conflicts (6/94)

=====

Article Created: 21 Jun 1994

TOPIC -----

Some users are experiencing problems with fonts when using Compton's Multimedia Encyclopedia. Complaints of unreadable 'Old English' text in title fields while running Compton's Multimedia Encyclopedia.

-OR-

Complaints that Reader Rabbit text is all 'garbled.'

DISCUSSION -----

Disable any font related to the American Heritage Dictionary by dragging them out of the Fonts folder in the System Folder (DO NOT throw them away).
Restart.

Apparently, this font class can conflict with other applications accessing fonts.
