QuickDraw GX: Desktop Printers Can't Be Thrown Away (9/95)

=====
Article Created: 16 September 1994
Article Reviewed/Updated: 14 September 1995

TOPIC -----

I cannot throw away my QuickDraw GX Desktop printer; an error message tells me it is busy.

DISCUSSION -----

After creating and using a desktop printer, it cannot be moved off of the desktop or be thrown away. When you attempt to move the desktop printer to a folder or the Trash, the following error message is displayed: "The desktop printer cannot be moved off the desktop because it is busy."

In order to throw away a desktop printer, you must first quit from all of the applications that printed to it.
