LaserWriter 8.2: Non-U.S. Printers PPD Files Included (10/94)

==

Article Created: 14 October 1994

TOPIC --

After I installed the LaserWriter 8.2 software, I noticed some printers in the
PPD file area that I have never heard of before. What are these printers?

DISCUSSION ---

After installing the LaserWriter 8.2 software the following printers appear in
your PPD file area:

• LaserWriter Pro 400
• LaserWriter Pro 405
• LaserWriter Select 610

These printers are only sold in Japan.
