PlainTalk 1.3: Speech Macro Editor Missing Documentation (6/95)

=====
Article Created: 7 June 1995

TOPIC -----

The Introduction to Speech Guide with PlainTalk 1.3 refers users to the Appendix in the PlainTalk manual that comes with the computer. However, no PlainTalk 1.3 information comes with this manual.

DISCUSSION -----

This is a documentation error. All necessary PlainTalk 1.3 information is included in Balloon help.

For more scripting information, refer to the QuicKeys Guide for QuicKeys if you have QuicKeys, or an AppleScript scripting help book available in book or computer stores.
