PC Net Exchange: Difference Between 1.0 and 1.0.1 (7/95)

==

Article Created: 07 July 1995

TOPIC ---

What is the difference between version 1.0 and 1.0.1 of PC Net Exchange?

DISCUSSION --

PC Net Exchange 1.0.1 corrects an issue where your Macintosh would hang if you tried to copy a DOS file which had a three or four character name and no file name extension.
