Color LaserWriter 12/600: No Support for Envelopes (8/95)

=====
Article Created: 18 August 1995

TOPIC -----

Can I print envelopes on my Color LaserWriter 12/600 PS printer?

DISCUSSION -----

Apple does not support the printing of envelopes or labels on the Color LaserWriter 12/600 PS printer. On page 203 of the Color LaserWriter 12/600 PS User's Guide, it states that doing so could cause damage to the printer.
