PowerBook 190 & 5300: Third-Party Video Cards (1/96)

=====  
Article Created: 8 January 1996

TOPIC -----

Has any third-party company released or is going to release a video upgrade option for the Powerbook 5300 and/or Powerbook 190 to support 16 bit video out capabilities?

DISCUSSION -----

We know of two companies that currently have these types of products or have announced that they will in the near future. Focus Enhancements, Inc. has a video card upgrade for the PowerBook 5300 series computers. Newer Technology is planning on releasing a video card in December 1995.
