Apple MessagePad: Finding Windows Serial 9600 driver (1/97)

Article Created: 31 January 1997

TOPIC -----

I removed the Serial 9600 driver from my Newton 2.x OS device, and did not have a backup of my data. I would like to reinstall the Serial 9600 driver. Where can I get this driver it?

DISCUSSION -----

The Serial 9600 driver is not available separately. However, it is included in the following products listed below, which are available on the Apple Software Updates sections online.

Product name	Online Filename
Newton Backup Utility 1.0.1	NBU101EN.ZIP
Handwriting Instructor and Tour	TOUR_HWI.ZIP
Newton Package Installer 2.0	WINNPI2.EXE

These articles can help you locate the software update mentioned here:

- "Where To Find Apple Software Updates" - Lists online services for free Apple software updates.
- "Obtaining Apple Product Support in the USA" - Lists 800 numbers and online services for software updates, Apple support information, and a subset of the Apple Tech Info Library.
